

## BIG GOLF MATCH

Country Club Team to Enter-  
tain St. Joe Players.Return Match With Missourians  
Scheduled for Tomorrow.

Tomorrow will be a big golf day at the Country club when twenty-five members of the St. Joseph Country

club come to Topeka to play a return team match with the Topeka players who made a trip to St. Joe last month. The Missouri golfers will arrive in Topeka tomorrow morning at 10:30, and the Topeka club members are preparing to entertain them in royal style. The train bringing the visitors to the city will be met by an auto party that will conduct them immediately to the club grounds where they will play a round over the course in order to get acquainted with it.

## Luncheon at Noon.

Luncheon will be served in the club house at 12:30 and the first players of the two teams will tee off promptly at 1:30. The club course will be

kept clear of all other players until 2:30, when all of the team players will have been sent off.

In the former match the St. Joe players won, scoring by the Nassau system of one point for each nine and a point for eighteen holes; but Harlow Hurley defeated Allen B. Swift, Trans-Mississippi champion two up. The principal interest in the match tomorrow will be in the playing of Swift and Hurley, who will oppose each other and in that of A. W. Warren, champion of the St. Joe club, and L. S. Armstrong, Topeka Country club champion.

## Stay Over Sunday.

Most of the St. Joe players will stay over Sunday and will play individual matches with the Topeka players on that day. A large number of the Country club members are expected to see the play both tomorrow and Sunday, and all members of the Shawnee club are invited to join in the galleries on both days.

Bob Peebles, Country club professional, announced today that the following probably would be the lineup: Allen B. Swift against Harlow Hurley, A. W. Warren against H. L. Armstrong, Milton Tootle against T. B. Sweet, L. M. Smith against J. A. Cole, C. S. Dickey against Arch M. Catlin, J. H. Parker against H. G. Humphreys, Edward Grant against Geo. Snyder, A. R. Akens against W. N. West, N. D. Biles against Allen B. West, A. J. Vlasta against Father Murphy, W. C. Bartlett against H. S. Morgan, C. M. Carter against A. C. Bartlett, J. G. Snyder against Earl Trobert, R. A. Brown against Leslie Hansen, Jas. Bingham against Guiford Dindley, Fred Castle against C. B. Merriam, Frederick against Leslie Guild, Ewing Herbert against Harry Donaldson, Frank Crane against Albert Bartlett, T. M. Logan against A. Pettit.

## RALSTON'S WORK DONE

Revision of City Ordinances Has  
Been Completed.

The revision of the ordinances of the city, to which W. C. Ralston, former city attorney, and instructor in the Washburn Law school, was employed by the city last May, has been completed. At a meeting of the city commission Monday, Mr. Ralston will report that the work is done. The new ordinance book will be published about Jan. 1.

W. C. Ralston.

Not only have the ordinances been revised and brought up to date by amendments, but many have been repealed. They have all been codified and indexed. Instead of a miscellaneous lot of miscellaneous ordinances scattered through the book, all the acts which made miscellaneous laws by the city have been framed into one ordinance.

There has not been a revision of the ordinances of the city for approximately fifteen years. The last revision was made by Charles F. Spencer. In indexing the new revision Ralston has spent much time and the result is that all city laws can be referred to readily.

## CRAWFORD NOT IN RAGE

K. S. A. C. Professor Does Not Want  
to Succeed Ellsworth.

Prof. N. A. Crawford, head of the department of journalism and printing at the Kansas State Agricultural college, who has been suggested as a candidate for the office of secretary of the Kansas State Teachers' association to succeed D. A. Ellsworth, who will resign, stated today that he was not a candidate for the office. Professor Crawford was in Topeka on business.

There is every indication that there will be some trouble in filling the office of secretary when the teachers meet in Topeka next week. In connection with Professor Crawford's name, Prof. Merle Thorpe, publicity agent of the University of Kansas, and P. Caspar Harvey of the Journalism department of the Hays State Normal school have been suggested as possibilities for the office.

## BULGER GRANTED STAY

Colorado Supreme Court Spares Slay-  
er of Denver Hotel Man.

Denver, Nov. 5.—The Colorado supreme court today granted a stay of execution until January 2, 1916, in the case of James C. Bulger, sentenced to die during the present week for the murder of Lloyd F. Nicodemus, a Denver hotel man. The court also directed that, in the meantime, an inquiry be conducted by the district court to determine the question of Bulger's present mental condition.

## HEADACHES

Thousands of men and women suffer from  
headaches every week or every month, and still  
others have headaches occasionally, but not at  
regular intervals. The best Doctor often unable  
to find the cause of many of these headaches,  
and in most other cases, knowing the cause, he  
does not know what will remove it, so as to give  
a permanent cure. All he can do is to prescribe  
the usual pain relievers, which give temporary  
relief, but the headache returns as usual, and  
treatment is again necessary. If you suffer from  
headaches, no matter what their nature, take  
Anti-kamnia Tablets, and the results will be satis-  
factory in the highest degree. You can obtain  
them at all drug stores in any quantity, 100 worth,  
250 worth or more. Ask for A-K Tablets.

## SICK-HEADACHES

Sick-headache, the most miserable of all sick-  
nesses, loses its terrors when A-K Tablets are  
taken. When you feel an attack coming on,  
take two tablets, and in many cases, the attack  
will be wrarded off. During an attack take one  
A-K Tablet every two hours. The rest and com-  
fort which follow, can be obtained in no other  
way.Genuine A-K Tablets bear the K mono-

## QUIGLEY IN TOPEKA

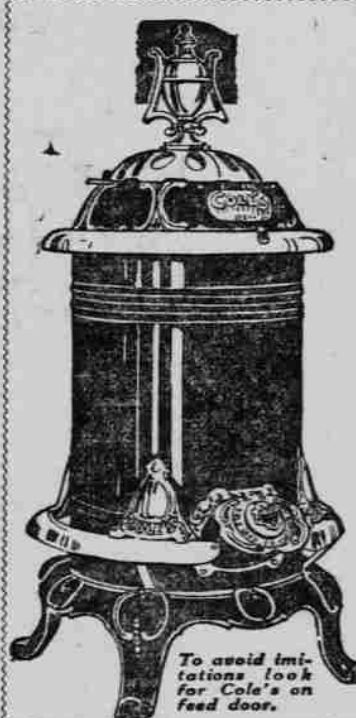

Famous St. Marys Sport Official Vis-  
its Friends in the City.With the same old smile on his  
face, and the same old glad hand for  
his friends, E. C. Quigley, former St.  
Marys coach and now National league  
umpire, forsook his baseball, football  
and domestic duties long enough to  
stop off in Topeka today and say  
"howdy" to his many friends. He was  
en route to Emporia to officiate in the  
C. of E. game.Quigley is, indeed, a busy man these  
days. He has a full booking of foot-  
ball games to officiate in, and in ad-  
dition has been much in demand since  
the closing of the National league sea-  
son as an umpire in post-season and  
exhibition games.To the regret of the Washburn of-  
ficials, the famous St. Marys official  
has not worked in a single Ichabod  
football game this fall, but he will  
be seen in the Aggie game here next  
Friday. "Pinky" Beals, Washburn's  
captain, says that "Quig" is one of  
the fairest and best football and base-  
ball officials he ever worked under.  
And baseball men say the same thing  
about him on the diamond.
